OmniView™ KVM Cables, 1.8m, PS/2

Part # F1D900006

Overview **Features**

OmniView E Series KVM Cables allow you to connect your PS/2 computers to your KVM Switch while offering high performance. E Series KVM Cables include all the cables you need for connecting a computer using PS/2 keyboard, PS/2 mouse, and a VGA monitor to a KVM Switch, up to 1.8m away.

Work with OmniCube, OmniView SE, PRO, MATRIX, E, SOHO, PRO2 Series KVMs and many other KVM switches.
